ARMOR EVO

CHARACTERISTICS

EAN: 6940533542797 - P/N: 511207

The ATX Armor EVO gaming case features a tempered glass front that, together with its methacrylate side, provides a modern design. Likewise, a total screen effect is generated allowing to show its components. It also incorporates three UNYKAch Candy 30 fans pre-installed on its front, giving the case an undeniable personality, but without losing the Armor seal thanks to the valance on the top of the case.
