AERO C10

A case with a simple and elegant design

AERO C10

UNYKACH
MAKE IT EASY

Aero C10 is a case with MATX format and essential features for those looking for a functional case with a discreet and elegant design.

Its connectivity is ensured thanks to its two USB 3.0 ports. In addition, it has space to allocate an external bay of 5.25 "and another 3.5"; as well as 1 internal bay of 3.5 "and three more than 2.5".
