

POWER SUPPLY MAGNO 500W

Power Supply 500W White

CHARACTERISTICS

EAN: 6940533542612 - P/N: 521102

The SID power supply with ATX format of 500w is the perfect choice for users who give as much importance to the power of their equipment as to the personalized lighting. Thanks to this RGB power supply, the sessions will be improved not only by the 500w of real power, which supports a sufficient configuration for the most demanding needs, but also by the possibility of selecting the color of the lighting provided by the power supply.
