UK 6012

*A PC case of casual and efficient design that
combines everything*

UK 6012

EAN: 6940533541561
P/N: 52060

The 6012 model is a Micro ATX format PC case. The design of its front combines sophistication with a bold, carefree touch, present through a swirl of intense blue light located in the ventilation grille. Its functional design allows the correct cooling of the equipment as well as having a wide selection of connectors. And all with an energy efficiency of 85%.
