UK 4129

The perfect choice for work environments

UK 4129

EAN: 6940533540571
P/N: 51912

The 4129 ATX 4U case with measurement (435 x 180 x 555 mm) for 19 "rack mounting. Allows installation of an ATX power supply, its matte black design, structure, and style make it an option perfect for professional environments.

For greater safety, its front is equipped with a key lock. In this way and with the help of the anti-dust front filter, the internal components are protected, prolonging the useful life and also promoting very good cooling thanks to the option of installing 2 fans
