UK-25301

External box 2,5" SATA

UK-25301

EAN: 6940533542179
P/N: 57002

With the UK 25201 external box for 2.5 "hard drive, your data will always be well protected and you can take it anywhere, as this support is very light, it supports up to 2 TB and thanks to its Plug & Play installation it is really easy to start using it. It also has a USB 3.0 connector to improve your connectivity options. It is made with aluminum to dissipate heat, and auto-regulate the temperature.
