CANDY 20 BLUE

CHARACTERISTICS

EAN: 6940533542711 - P/N: 51798

Thanks to this system, blue light is more uniform than traditional LED systems, thus achieving a better visual effect by offering a bright and uniform illumination.
These fans have 7 blades in black that favor a better air flow inside the chassis and optimize the static pressure, giving a great performance.
Its design with hydraulic bearing guarantees silent operation of the fans
